Mind – To Know

In recognition of National Indigenous Peoples Day,
and in alignment with the CBE Education Plan,

Edgemont School

acknowledges and supports the Truth and Reconciliation Commission of Canada's (TRC) Calls to

Action, and makes the following commitment to action for the 2026-2027 school year:

We will include Indigenous perspectives in our learning by honouring Indigenous ways of life, knowledges, languages, and teaching methods in our classrooms. We will invite Indigenous community members to share their knowledge and experiences with our school community, fostering meaningful connections and deeper understanding.

We will design learning opportunities that intentionally engage the spirit, heart, body, and mind of both students and staff, supporting a holistic approach to education.

Our school will continue to learn from the land, recognizing its importance as a teacher, and we will work alongside our community to demonstrate our ongoing commitment to Truth and Reconciliation.
